Nashua 510 Matte Gaffer Tape

UV stable Low gloss gaffer tape with matte finish widely used for photography, film, video & stage due to its light reflection reducing properties.

Suitable for:

- Protect & anchor wiring for photography, film, live entertainment, meetings & conventions
- Temporarily securing various objects for OHS reasons such as cables, leads, carpets
- Used for marking placement (spike tape)
- Film, TV & video production sets
- Theatre, concert stages & recreational halls
- Indoor & outdoor use

Features & Benefits:

- Removes cleanly from most surfaces
- High tensile strength cloth for difficult applications
- Hand tearable - tape tears in straight line
- Waterproof cloth is both abrasion & puncture resistant
- Resistant to many everyday solvents & chemicals
- Due to it's high tack adhesive, will stick to a variety of surfaces - from smooth to rough textures
- Can contribute towards satisfying EQ Credit 4.1 (Low Emitting Materials) under LEED®

3205 - 50mm x 27.5m
Rolls per carton: 24

All pricing quoted is per roll & excluding GST, based on full carton quantity. Subject to normal FIS terms. Purchaser is responsible for determining suitability of this product for their application.
