5505 ERL High Bond Foam

High performance white acrylic foam tape particularly suitable for bonding a broad range of substrates both indoor & outdoor.

Suitable for:

- Adheres to a wide variety of smooth surfaces such as glass, metals & other substrates with a medium to high energy surface rating
- Used in automotive, construction, electronics, engineering, industrial, graphics & signage industries plus many more
- 0.50mm tape thickness allows for use of lighter weight substrates such as decorative profiles, name plates etc
- Can be used to separate dissimilar metals
- Permanent seal against air, water & moisture

Features & Benefits:

- Easy release liner (ERL)
- High temperature rating up to 180°C
- Can replace or be used in conjunction with mechanical fasteners and/or liquid adhesives
- Vibration dampening
- Thickness (mm): 0.50 (others available by indent)
- Reduces unsightly appearances of holes, screw heads, rivets etc resulting in blind fastening to ensure surfaces remain pristine

Available In:

Custom widths from 6mm - 900mm
