Kwikmask 120 Taped Masking Film

Pre-taped masking film with static cling suitable for a wide variety of everyday masking applications due to its clean removal & no paint flaking attributes.

Suitable for:

- Masking requiring high visibility
- Various building & construction masking needs
- Multiple home & industrial needs
- Fast masking of large areas: walls, doors, windows

Simply unroll, stick, cut, unfold & paint

Features & Benefits:

- Suitable for indoor & outdoor use up to 60 days
- High temp wash paper tape offering clean removal on most surfaces
- Guarantees straight paint line without any deformation
- Perfectly consistent masking tape overlap control to film to ensure wider adhesive band
- No flaking of paint when film is removed
- Isolates dusty work areas
- No paint bleed through

Available in:

1821 - 1800mm x 33m Refill	12 rolls/ctn
