Kwikmask Auto Taped Masking Film

Pre-taped masking film with static cling suitable for a wide variety of everyday masking applications due to its clean removal & no paint flaking attributes.

Suitable for:

- Automotive refinish autobake ovens
 - Various building & construction masking needs
 - Multiple home & industrial needs
 - Fast masking of large areas: walls, doors, windows
 - Ideal for protecting surfaces quickly & at low cost
- Simply unroll, stick, cut, unfold & paint*

Features & Benefits:

- Suitable for indoor use up to 3 day clean removal
- Protects surfaces from paint splatter & overspray
- Guarantees straight paint line without any deformation
- Perfectly consistent masking tape overlap control to film to ensure wider adhesive band
- No flaking of paint when film is removed
- Isolates dusty work areas
- No paint bleed through

Available in:
