## Ubis 4800

### Supplier Details:

Stylus Tapes International  
111-121 Warren Road Smithfield NSW 2164  
Ph: 02 9632 9400  
Website: [www.stylustapes.com.au](http://www.stylustapes.com.au)

#### 1. Identification: Product identifier and chemical identity

Kraft 4800

#### 2. Hazard(s) identification

According to EU criteria, this product is not dangerous for human health & environment.

#### 3. Composition and information on ingredients

Description: Pressure sensitive adhesive tape.

Ingredients:

Backing: Kraft Paper

Adhesive: Mixture of styrene-isoprene copolymer & hydrocarbon resins.

#### 4. First aid measures

**General indications:** Special measures are not required

**Inhalation:** Not applicable

**Skin contact:** Not applicable

**Eye contact:** Not applicable

**Ingestion:** Not applicable

#### 5. Firefighting measures

**Extinguishing media:** CO<sub>2</sub>, extinguishing powder, water jet or synthetic foam.

**Special risks:** When burning, it might produce smoke containing different gases as carbon monoxide (CO) and carbon dioxide (CO<sub>2</sub>).

**Protective equipment:** No special measures are required.

#### 6. Accidental release measures

Not applicable.

#### 7. Handling and storage, including how the chemical may be safely used

**Handling:** No special measures are required.

**Storage:** No special measures are required according to the security on storage. It is recommended to store the rolls inside the original box in a closed warehouse avoiding the direct sun light exposition at room temperature & in absence of high humidity levels.

#### 8. Exposure controls and personal protection

**Exposition limit control:** Not applicable

**Breathing equipment:** Not applicable

**Hand protection:** Not applicable

**Eye protection:** Not applicable

# Material Safety Data Sheet

NOVEMBER 2023  
(Supersedes all previous versions)

**Other particular measures:** Not applicable

## 9. Physical and chemical properties

**Physical form:** Solid  
**Colour:** Brown or White  
**Smell:** Nearly odourless  
**Melting point/Melting range:** Not determined  
**Boiling point/Boiling range:** Not determined  
**Flash point:** Not applicable  
**Ignition temperature:** Not applicable  
**Self-in flammability:** The product is not self igniting  
**Danger of explosion:** The product is not explosive  
**Density:** Not determined. Approximately 1.0g/cm<sup>3</sup>  
**Solubility in/Miscibility with water:** Insoluble  
**Organic solvent content:** Not applicable  
**Solids content:** 100%

## 10. Stability and reactivity

**General considerations:** When handled stored & used under normal conditions, the product does not have any harmful effects. Storage in warm places must be avoided.

**Thermal decomposition:** The decomposition begins above 100°C.

**Dangerous products of decomposition:** None

## 11. Toxicological information

**Acute toxicity:** See point 8

**Irritant effect on the eye:** No irritant effect known

**Irritant effect on the skin:** No irritant effect known

**Additional toxicological information:** The product fulfils the European Packaging Waste Regulation 94/62/CE which requires that the total amount of heavy metals (Cadmium, Mercury, Lead & Cromium VI) must be below 100 p.p.m in weight.

## 12. Ecological information

Not known to be hazardous to water. Non soluble in water.

Non-biodegradable product. Not hazardous for the environment.

It does not prevent recycling. It can be easily separated mechanically during the carton & paper fiber recycling process. It does not release the adhesive avoiding the stickies formation.

## 13. Disposal considerations

It can be disposed in authorised garbage dump.

It can be incinerated.

The product fulfils the European Packaging Waste Regulation 94/62/CE.

## 14. Transport information

No special requirements are needed.

## 15. Regulatory information

**Designation according to EC guidelines:** The product is not subject to identification regulations according to EC regulations.
